Set up the UCLA VPN
Go to https://bit.ly/wirevpn and let the WI+RE team show you how to access journals, movies and more from wherever you are. We recommend checking out Kanopy, Resflix and our collection of journal subscriptions.

Check course reserves
Once you’ve signed up for classes, check UC Library Search to see if your textbooks are available in our Course Reserves. If they’re not in our collection and you still need them, reach out to our research staff for help.

Rev up for research!
No matter where you are in your research journey, we have resources for you! For general skills or advice on getting started, check out our workshops, WI+RE tutorials and research guides. For more specific assistance, schedule a research consultation or visit our 24/7 Ask A Librarian chat.

Log into your UCLA Zoom!
Access your UCLA Zoom account by visiting ucla.zoom.us and logging in through UCLA Single Sign-On.

Get information about all of these resources and services at library.ucla.edu!
