GETTING STARTED

Set up the UCLA VPN

Go to bit.ly/wirevpn and let the WI+RE (Writing Instruction + Research Education) team show you how to access journals, movies and more from wherever you are.

Check course reserves

Once you've signed up for classes, check the course reading list tab on [Bruin Learn](#) to see if your textbooks are available in our Course Reserves. If they're not in our collection and you still need them, reach out to our research staff for help.

Get WI+RE'd

There are resources for all stages of your research journey. For general skills or advice on getting started, check out our workshops, WI+RE tutorials and research guides. For more specific assistance, schedule a research consultation or visit our [24/7 Ask Us: Online Chat](#).

Sign up for our programs newsletter

We host hundreds of events each year, including film screenings hosted by the UCLA Film & Television Archive, research workshops, lectures and live music performances. Sign up at bit.ly/uclalibrarynews.
