

# TOP THINGS TO KNOW ABOUT UCLA LIBRARY

---

## **UCLA Library welcomes you**

From engineering to music, our multiple libraries hold millions of books, articles, journals, recordings and moving images. Whatever your passion, there are resources for you.

## **We can loan you tech**

The Library offers a laptop and small devices lending program where you can check out Macbooks, chargers and accessories.

## **We support your research**

Subject-specific research guides, research consultations and skills workshops are all here to aid your research journey, especially if you're new to UCLA.

## **We're here to help 24/7**

Research help is available 24/7 through the [Ask Us: Online Chat](#) global service.

## **We have digital resources too**

Access millions of ebooks, articles, and streaming video and audio with the [UCLA VPN](#).

## **We host study spaces**

Structure your academic time with study rooms and collaboration pods found throughout our libraries.
