SUMMARY OF EXPERIENCE

Senior Deputy and Director, Bureau of Field Enforcement/ Concentrated Enforcement Program. Administer a statewide labor enforcement program designed to eliminate exploitation of the labor force and to prevent unfair competition.

Legislative Consultant, Honorable Leo McCarthy, Speaker of the Assembly.

Assigned by the Speaker to monitor the implementation of legislation which was designed to resolve statewide labor disputes; proposed regulatory and statutory changes. Assignments involved statewide travel and being on

loan to various legislative committees.

Chief Consultant, Legislative Joint Committee to Oversee the Agricultural Labor Relations Board.

In charge of staffing a legislative committee composed of six senators and six assembly persons who monitored the activities of the ALRB in order to insure that the statute was being properly implemented. Responsibilities included proposing regulatory and statutory changes, development of efficient procedures to resolve post-election objections and unfair labor practices, development of liaison with employers, the union community, and employees.

Senior Consultant, Assembly Office of Research

One of two persons assigned to the Legislative Oversight Unit. Involved in insuring that executive agencies correctly interpreted and implemented statutes.

Legislative Consultant, Chicano Coalition.

Review legislation affecting Chicano communities and identify necessary linkages to levels of government. Identify internal and external problem areas of membership agencies and establish training programs to resolve conflict in those areas.

Law Clerk- Cruz, Diaz and Duran

Prepare briefs in all phases of civil and criminal claims. Investigate claims and trial preparation.

Director, Community Organization Division, EYOA.

Develop Area Councils throughout Los Angeles County by establishing liaison with area residents. The objective was to develop a mechanism whereby residents would have a voice in the management and allocation of funds in a community action agency.

Assistant Director, Mexican American Community Programs Foundation.

Assist in designing organization structures and delivery systems in order to strengthen the productive capability of member agencies; Increase advocacy effectiveness and facilitate the movement toward achieving institutional change.
